Request for Corrected Official Filing Receipt

Honorable Commissioner of Patents and Trademarks
Washington, D.C. 20231

Sir:

A filing receipt for the above identified patent application has been issued by the USPTO (Copy attached) and has been found to contain the following errors:

- 1) The continuing data as claimed by applicant fail to show the US provisional application claimed in the inventor's declaration. The present application claims the benefit of US provisional application number 60/116,395, filed January 19, 1999.
- 2) The foreign applications section fail to show the Israeli patent application claimed for priority in the inventor's declaration. The present application claims priority to Israeli application 129412, filed Apr 13, 1999. This Israeli application also claims priority to the above-mentioned US provisional application.

The errors appear to have been an error on the part of the USPTO. It is respectfully requested that a corrected filing receipt be issued in this application, correcting the above errors.

Since the error was made by the USPTO, it is believed that no fee is due. However if additional fees are due for correcting the filing receipt, the undersigned requests to be informed so such fees may be paid promptly.

Respectfully Submitted

Shalom W.
